TRANSLUCENT

CERAMIC METAL HALIDE - POLYCARBONATE SHROUD

**212 Application Concept...** General lighting that offers a unique solution that reduces glare without compromising visual comfort. Intended for use in hospitality, corporate and retail environments that require more than the usual aesthetics and performance.

**LED Color Accent**

This unique feature allows only the exterior of the luminaire to have color-specific options without compromising the quality of light.

**Finish**

Metalized finishes or painted.

**Material**

Housing is die cast aluminum, with polycarbonate refractor and aluminum inner reflector.

**Mounting**

Surface - Accommodates standard 3.5" or 4" octagonal junction box

**UL Listed** damp location. IBEW union made.
